

Laser 2020 - Sandringham Yacht Club (SYC)

Early arrivals, storage and container arrangements

Early arrivals

If you are planning to arrive in Melbourne before the published regatta dates* we would appreciate if you could contact the host club and advise of your arrival plans. Please contact James Sly, boating@syc.com.au, +61 3 9599 0907.

Short term trailer and boat storage

Short term trailer and/or boat storage will be available from 23 December 2019 to 3 March 2020 inclusive adjacent to the former Sandringham Golf Driving Range, an 8 minute drive from Sandringham Yacht Club. There is one access gate off Talinga Road, Sandringham.

Trailer storage - Talinga Rd Sandringham

Access Gate - Talinga Road

Storage area ———
Vehicle route ———

- The gate will be accessible during daylight hours only.
- The gate will be daisy chain locked with a combination padlock (allowing Bayside Council access at any time for emergency access). Please ensure the gate is locked as you depart after dropping off your trailer/boat.
- The site has no lighting or structures to provide weather protection.
- The lock combination will be advised via the Laser 2020 phone App and may be periodically changed.
- Please park your trailers/boat in an orderly fashion within the area set out on the site plan (attached), keeping the access route (marked red on the site pan) unobstructed at all times.
- The driving range may be used for specific events. Do not drive or walk outside of the site area marked on the site plan at any time.
- Parking Marshalls may be in attendance from time to time to assist.... Please be courteous.
- Neither the Victorian Laser Association Inc, Sandringham Yacht Club or Bayside City Council take responsibility for any theft or damage caused as a result of you using the site.

Vehicle parking

During the:

- Australian Laser Championships (28th December – 9th January)
- Standard Men's World Laser Championships (5th February – 17th February), and
- the Radial World Championships (18th February – 29 February)

with the exception of Saturdays 18th January 2020 and Saturday 15th February 2020, vehicles (strictly no trailers/boats) may be parked at Trey Bit Reserve located off Jetty Road.

No vehicles, trailers or other equipment may be left overnight, and no camping is permitted.

Containers

There is no available space at SYC for the storage of containers.

Unloading of containers at SYC must be pre-arranged via the host club and be conducted promptly on the day of arrival. Please contact James Sly, boating@syc.com.au, +61 3 9599 0907.

Our strong preference is for containers to be stored at commercial facilities off-site by arrangement with your shipping / transportation agent.

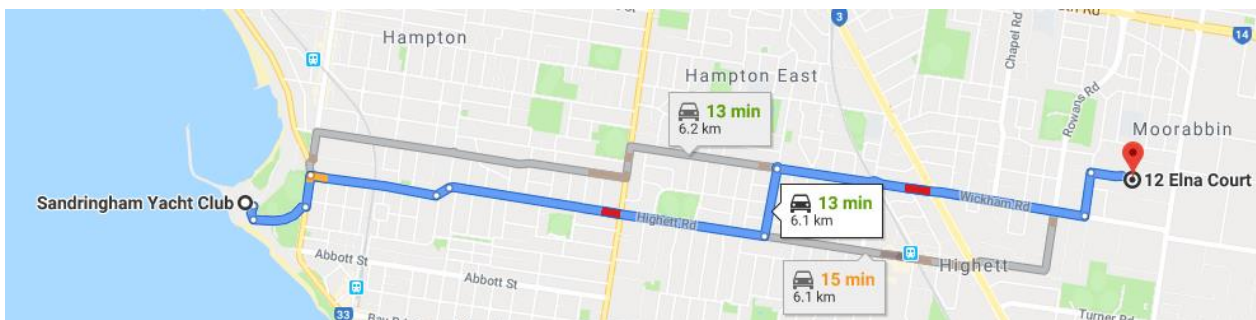

Elna Press is providing access to a vacant grass block at 10 Elna Court. The block has a cyclone wire fence and a lock on the gate. The site is not security monitored so Sailors should arrange their own insurance as Elna will not accept responsibility for any goods left on the site.

This site is being provided for storage at no cost so it must be kept clean and tidy and Elna Press reserves the right to ask Sailors to clean up their area.

Access to the site will be available from 7.30 am until 4 pm on weekdays only. The key to the gate can be collected and signed for at the reception at 12 Elna Court Moorabbin and must be returned after securing the gate.

There is no facility to unload the container on the site so containers must be delivered on a side loader. When delivering the container please ensure the container is unloaded at the rear of the block leaving space between each container for side loader access in case containers need to be removed prior to the completion of your event. See location plan and site layout plan below.

The contact is Wendy Heaney and the contact telephone number is: +61 3 9555 2311.
